Subject: Naming engagement partner
Date: Monday, February 03, 2014 6:47:04 PM

This would be a good start to providing transparency on Auditor's Report. It would also help if the engagement partners number of years experience since he /she became a CPA is also indicated. Like stating " CPA - 1982". This would indicate that an experienced CPA was the engagement partner.

Al Khan (CA-Scotland-1968)
